FRANKFURT

Wallonia.be

Wallonia has an excellent logistics infrastructure and «multimodality» is the keyword. **Liege Airport** was awarded the title of **best cargo airport in the world** for the year 2020. You will also find yourself well supported : the actors of the sector are gathered in the «Logistics in Wallonia» cluster.

WALLONIA EXPORT & INVESTMENT AGENCY

The Wallonia Export & Investment Agency (AWEX) is the organization in charge of the development and management of Wallonia's domestic and international economic relations.

Through a personalized, innovative, and sustainable approach, AWEX supports Walloon companies - regardless of their size, sector, or target market - in every step of their international endeavors. This includes exports, technological partnerships, and development abroad.

The agency's vast network of connections ensures the best advisors are always by your side. Our local anchors and agents abroad are capable of providing unparalleled insight to take your company to the next level. In addition, our connections will help establish your business in the global marketplace and promote it throughout the world. Training, incentives, and international financing are also available.

AWEX is also committed to strengthening Wallonia's position as the premier gateway for international investors seeking success in the heart of Europe. We work closely with them to inform, convince, and advise at every stage of their development.

Feel free to get in touch with one of our local or international agents via our websites listed below. In our network of more than 400 employees in nearly 100 countries around the world, there is always someone ready and willing to support you in your approach.

ACTIVITIES, PRODUCTS AND BRANDS

Belourthe is an independent company and one of the biggest cereal processing sites in Europe. It produces a complete range of reliable and safe cereal ingredients with a wide number of applications in the food industry. Our bases can bring nutritional advantages to numerous food products, as they preserve all the components of the cereals (proteins, fibers, minerals).

CERTIFICATION

The company has a "Grade B+" quality certificate from the BRC (British Retail Consortium) and is also "Higher Level" certified by the IFS, two of the most important European quality systems.

ACTIVITIES, PRODUCTS, INNOVATIONS AND BRANDS

At Fairoils, we responsibly produce pure natural oils of food grade quality. We've built an integrated supply chain based on an ethical and sustainable model, that begins at the farm. We unite the efforts of small-scale growers across Eastern Africa with our own commercial farms and local processing facilities, to produce a wide variety of essential and vegetable oils. Fairoils' operates in Kenya, Uganda, Madagascar and Tanzania.

CERTIFICATION

ISO9001, Fair For Life (Ecocert), Food (FSSC22000 at production site and IFS Wholesale at EU warehouse), Organic (Ecocert and NOP), ECOVADIS Platinum (Distribution platform), Kosher.

ACTIVITIES, PRODUCTS, INNOVATIONS AND BRANDS

Located in the heart of Europe, Solarec is active in the dairy industry field. Subsidiary of the Laiterie des Ardennes, we work hard every day to bring a better life to our farmers by offering the best of the milk to the world. Each year, Solarec transforms 1.55 billion liters, which is converted into 100,000 tons of milk powders, 50,000 tons of butter, 200,000,000 liters of UHT milk and 32,000 tons of mozzarella.

CERTIFICATION

The entire product range is Halal and Kosher certified. Some products follow organic, PDO or meadow milk certification. The effectiveness of the preventive and corrective actions implemented is recognized by IFS, FSSC 2200 and ISO 9001.
